

Certification is the result of ambitious goals and company commitment.
"The only way to do great work is to love it." - Steve Jobs

Cert & Smile® GmbH hereby certifies that the company

HDS

HDS Hydraulik GmbH & Co.KG

Werner-von-Siemens-Str.14
51647 Gummersbach

Hückeswagener Str.10
51647 Gummersbach

has implemented an Energy Management System in the area with the activities and locations specified in the scope.

Company Scope:

Processing and distribution of spiral hose assemblies, as well as the development of high-pressure couplings and machines for processing hose lines and equipment for the production.

Through a Stage 1 / Stage 2 third-party audit compliant with the requirements of ISO/IEC 17021-1:2015, it was demonstrated that the Energy Management System has fully implemented conformity according to

DIN EN ISO 50001:2018

and meets the requirements.

Conformity will be demonstrated annually through a surveillance audit.

Initial Certification Date: 11-13 to 2024-11-14

This certificate is valid until: 2028-11-14

Certificate Number: D-2026-50001-10050
